This sheet will guide you to write a rewrite a fairy tale reframing the villain in it
(page 50 of issue 128)

PICK A CLASSIC FAIRY TALE

Which fairy tale did you read?

Who was the villain?

What powers or special abilities do they have?

What wicked things did they do?

What happened to them at the end of the story?

NOW ANSWER THESE TO CREATE A SEQUEL STORY!

1. At the beginning of your story, the villain should be in a difficult situation, based on what happened in the original story. What is it? For example, they could be stuck in an oven or washed away in a river.
2. How do they get out of this situation?
3. Who do they meet that helps them?
4. Next, they should come across someone or something in trouble. Who are they? A village, an animal, or a magical creature.
5. What danger do they face?
6. The villain feels sorry for them and decides to help. How do they do this? Do they use their powers or a clever trick or idea?
7. The villain has become a hero! How do the people or creatures they helped thank them?
