Storytime™ STORY CLUB:

MY FAVOURITE STORY PLANNER

For this activity, you have to talk to your Story Club about your favourite story. You should make your presentation as interesting as possible so everyone will agree your story is the best!

TOP TIP: Presentation ideas!

Want to wow your audience? Make your presentation exciting and full of fun! Here are some cool ideas:

Become a character! Pretend you're someone from the story while you talk — use their voice, their style, even their catchphrases!

Talking about pirates? Start with a big, loud "ARRR, ME HEARTIES! YO HO HO!" to grab everyone's attention.

Is there a prince or a hero? Wear a cloak, hold a toy sword, and act like you're on an epic quest!

Story has a cute dog? Bring a dog toy as a prop ...everyone loves props!

Have fun, be creative, and bring the story to life!
